New York, March 25 .- Hon, Franklin K. Lane, recently a candidate for governor of California and the city attorney of San Francisco, is in New York.

His mission in coming east is to secure from the department of the interior the right to use two reservoir sites on the Yosemite National park as a source o water supply for San Francisco, Appli cations were made for these sites two years ago by the mayor, but were rejected. The dity now renews the appli-cation in its own name. If they are granted the war supply will be own-ed by the municipality. Plans and es-timates have already been made which call for an expenditure of \$40,000,000. In neral outline the scheme is to hold ick in giant reservoirs, the waste flood waters of the Toulomne river, and by canais and pipes carry the water across the San Joaquin valley and under San Francisco Bay, a distance

of 140 miles. The new charter of San Francisco makes it mandatory that the question of municipal ownership of the water supply shall be submitted to the vote of the people, and it is in conformity with that direction that the plans of the Toulumne project have been made.

Wine of Cardui and Thedford's Black-Draught are a sure cure for all female diseases. I recommend your medicines to all my friends everywhere I go. Five months ago I could not walk across the house without great pain, but I am well again. I have only taken four bottles of Wine of Cardui, but feel better than I have felt in two years.

Mrs. N. T. GLIDEWELL. Sand Lake, Mich., June 10th, 1902.

I must write and thank you for the good your Wine of Cardui has done me. Twenty-one years ago Wine of Cardui saved my mother's life, in Allen County, Indians, and thinking of that three weeks ago I purchased a bottle. It is the medicine a woman needs,
